

TREVISAN

CANDITO

CORTONA D.O.C. SYRAH

Candito is produced from 100% Syrah grapes from the harvest 2013 and subsequently produced only in the best vintages. The grapes are hand picked from our oldest vineyard in the hill of Farneta. Vinified in concrete tanks, in part whole bunch, it is aged in large French oak barrels. It is a structured, harmonious and elegant wine with an intense red colour.

The bouquet is fruity with scents of plum, sour cherry, black pepper and vanilla.

In the mouth it has a noteworthy alcoholic tone, smooth and sapid with a slightly sweet finish.

 100% Syrah

 Harvest by hand.

 Vinification in concrete tanks and ageing in large French oak barrels.

 Aging in bottle for 6 months.

 750 / 1,500 ml

 No chemical treatments in the vineyard, no added yeast, not filtered.
